

Annual **Report**

2023

LETTER FROM OUR LEADERS

Thank you for your ongoing support of Pikes Peak Hospice & Palliative Care and the Pikes Peak Hospice Foundation. You make a difference for people at the end of life's journey every day.

In 2023, we were thankful to have you and other supporters who have helped us with the accomplishments and impacts made by Pikes Peak Hospice and Palliative Care.

Your belief in our mission shows your commitment to our community; your support helps us to make compassionate care the hallmark of our work.

We provide care in El Paso, Teller and Elbert counties for those with an advanced medical condition and those who are grieving.

We are comprised of just over 100 team members, more than 125 volunteers and Board Directors and Trustees who are committed to building on our existing strengths and growing our services.

A few highlights of our 2023 care delivery include:

We served 1,782 hospice and palliative care patients.

We provided over 1,000 bereavement services to individuals, families and children.

Our annual "Illuminations" event raised over \$66,000 to support special patient programs.

We provided \$215,000 of Charity Care to people who were terminally ill and had no means to pay for healthcare.

We provided eight Sentimental Journeys to ensure bucket list experiences were completed.

We provided \$44,278 in Patient Special Needs to pay for groceries, rent, gas, water, food and more.

Please read more in this annual report about how we have impacted the lives of those in our community in 2023. We thank you for your generous support and continued trust in Pikes Peak Hospice & Palliative Care and the Pikes Peak Hospice Foundation.

Sincerely,

Dawn Darvalics

PIKES PEAK HOSPICE & PALLIATIVE CARE / 2023 HIGHLIGHTS

MONTY MORA WELCOMED AS FAITH-BASED LIAISON

Pikes Peak Hospice & Palliative Care proudly welcomed Monty Mora as our Faith-Based Liaison, tapping into his extensive background in both hospice and pastoral care ministry. With over seven years in the hospice industry and 28 years serving in various churches, Monty brought a wealth of experience to his role. His primary responsibility was to bridge the gap between faith communities and essential end-of-life resources. Monty facilitated workshops, seminars, and program development initiatives, empowering faith-based groups to make informed decisions about hospice and palliative care. Additionally, he played a pivotal role in strengthening community bonds and ensuring culturally sensitive end-of-life care. Monty's appointment was a testament to the organization's dedication to providing comprehensive, compassionate care tailored to individual spiritual and cultural needs. Through his leadership, Pikes Peak Hospice & Palliative Care continued to uphold its commitment to excellence and integrity in serving the community.

A HEARTWARMING SENTIMENTAL JOURNEY WITH YESENIA ROSALES-OCHOA

Yesenia Rosales-Ochoa, a newcomer to the world of art, embarked on a special journey of creativity and connection during her time with Pikes Peak Hospice & Palliative Care. Facing a challenging diagnosis, Yesenia found solace in spending precious moments with her daughter, Jocelyn Castillo, who had put her dental school plans on hold to care for her mother.

Inspired by her daughter's love for painting, Jocelyn organized a sip and paint outing for Yesenia and her aunt, creating a cherished memory filled with laughter, snacks, and artistic expression. Despite a demanding upbringing and a lifetime of hard work, Yesenia embraced the opportunity to explore her artistic side, relishing the joy of creating alongside loved ones.

Sentimental Journeys, facilitated by the Pikes Peak Hospice Foundation, provide patients and their families with the chance to enjoy meaningful experiences together. For Yesenia and her family, this outing was a precious gift, allowing them to share laughter, love, and the simple pleasure of creating art together.

Reflecting on the experience, Jocelyn expressed gratitude for the lasting memory they created and the happiness it brought her mother. As they admired their finished paintings, the smiles on their faces spoke volumes about the bond they shared and the joy found in moments spent together.

In heartfelt appreciation, Jocelyn extended her thanks to Pikes Peak Hospice & Palliative Care for providing them with a treasured memory that would be cherished for years to come.

ENHANCING HOSPICE CARE THROUGH MUSIC THERAPY: A LOOK BACK

In the realm of hospice care, music therapy transcends mere entertainment, evolving into a powerful clinical intervention. Spearheaded by board-certified music therapist, Sandy Golias, MT-BC, music therapy at Pikes Peak Hospice & Palliative Care (PPHPC) is a vital component of holistic patient care.

Music therapy involves personalized interventions tailored to each patient's unique needs, incorporating live music creation, singing, movement, and listening. While not suitable for every patient, it often proves remarkably effective, particularly for those who may otherwise seem unresponsive.

Take the case of Sally, whose anxiety was alleviated by her love for classical music. Through music therapy, she found solace, expressing how piano melodies transported her to a place of peace and tranquility.

Similarly, for Lynn, music served as a conduit to reconnect with cherished memories and emotions. Despite his insistence that he couldn't carry a tune, Lynn's heartfelt rendition of "You Are My Sunshine" during a session brought tears of joy, illustrating the profound impact of music therapy.

These stories underscore the multifaceted benefits of music therapy in hospice care, providing relief, joy, and a sense of connection for patients navigating the complexities of end-of-life experiences. As we reflect on the past year at PPHPC, we celebrate the transformative power of music therapy in enhancing the quality of life for our patients and their loved ones.

HONORING OUR VETERANS: A PROUD PARTNERSHIP WITH HONOR FLIGHT OF SOUTHERN COLORADO

Pikes Peak Hospice & Palliative Care proudly served as the exclusive hospice sponsor for the recent Honor Flight of Southern Colorado mission, an unforgettable journey to Washington, D.C. On September 28th, we accompanied Navy veteran Timothy R. Price, one of our cherished hospice patients, on this once-in-a-lifetime

experience.

Timothy, who served during peacetime, had the opportunity to visit iconic memorials, paying tribute to the sacrifices of generations past. From the solemnity of Arlington National Cemetery to the poignant reflections at the Vietnam Memorial, Timothy experienced moments of profound significance.

As part of "Mission 17," 58 veterans embarked

on this remarkable adventure, supported by our dedicated Veteran Liaison. His unwavering commitment ensured that each veteran's journey was filled with honor and respect.

We celebrated their departure at the Pro Rodeo Hall of Fame and warmly welcomed them back at Sierra High School. These events, attended by local news, active-duty service members, and families, were a testament to our community's appreciation for our heroes.

Our participation in this initiative underscores our deep gratitude for the sacrifices made by our veterans. By partnering with Honor Flight of Southern Colorado, we reaffirm our commitment to honoring their service and ensuring they receive the recognition they deserve.

PIKES PEAK HOSPICE & PALLIATIVE CARE / 2023 HIGHLIGHTS

PIKES PEAK HOSPICE FOUNDATION'S ILLUMINATIONS EVENT

The spirit of gratitude and recognition was at the heart of Pikes Peak Hospice Foundation's Illuminations breakfast, held on May 6 at the Pro Rodeo Hall of Fame. The event brought together 260 guests to express appreciation and raise vital funds, totaling \$66,000, to further the nonprofit's impactful work.

Amidst the celebration, one individual stood out as a shining example of an angel in our community: BJ Scott. A community leader, dedicated volunteer, and longstanding board member, BJ's selfless contributions have touched countless lives. Described by Jim Harris, foundation trustees board chair, as "a person whose life makes a difference," BJ exemplifies the qualities of compassion, generosity, and service.

In recognition of her extraordinary contributions, we had the honor of presenting BJ Scott with our third Quality of Life Award. This prestigious

award acknowledges individuals who embody the values of dignity, compassion, and respect in their commitment to improving the lives of others.

As we celebrate the generosity of our donors and sponsors, we are grateful for their support in helping us provide compassionate care to those on their end-of-life journey. Thanks to our annual and event sponsors, all funds raised at this event went directly to patient care, ensuring that individuals receive the comfort and support they need during their most challenging moments.

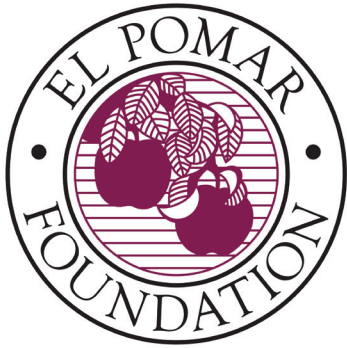

As we reflect on the success of Illuminations and honor individuals like BJ Scott, we are reminded of the profound impact that each of us can have when we choose to embody the spirit of kindness and compassion in our daily lives.

2023 ANNUAL & EVENT SPONSORS

It is because of our wonderful sponsors that 100% of every gift donated at Illuminations will go directly to programs and services for our patients and their families.
